

THE AMERICAN LEGION DEPARTMENT OF IOWA FIREFIGHTER OF THE YEAR

IMPORTANT – For the purposes of this award, the use of the word Firefighter or firefighter officer includes any living, active, full-time, paid, or volunteer CERTIFIED FIREFIGHTER who is also a MEMBER of a municipal (city) or county fire department. This includes Emergency Medical Technicians or those serving in some other capacity in the department.

Scope: Americans, especially since the tragic day of September 11, 2001, understand the heroism, bravery and importance of our nation's firefighters and their role in helping to safeguard life and property. The Preamble of the Constitution of The American Legion includes as one of its objectives... "to maintain Law and Order". As concerned citizens and veterans, Legionnaires have always fostered a strong sense of law and order and have upheld the protection of American citizens and the American way of life. They have always held firefighter agencies in the highest regard, and many posts and departments already recognize outstanding firefighters of various jurisdictions who daily serve our communities and frequently lay their lives on the line.

Purpose: The purpose of The American Legion Firefighter of the Year Award is to honor a well-rounded firefighter who has exceeded, above and beyond, the duty requirements expected of his/her position and has demonstrated a distinct pattern of community service coupled with professional achievement. Episodes of heroism will, of course, also be included where noted.

Award Designation: The American Legion Firefighter of the Year Award will be presented annually at the Department Convention or other suitable American Legion setting, as appropriate. The Post which submits the winning nominee will be notified by The American Legion as expeditiously as possible. The Department winner will receive:
