Help Us Continue to Serve

The American Legion of Iowa Foundation's service is an unseen battle against poverty, challenged youth, complacency and lack of patriotism. One way to fight is through meaningful philanthropy - to assist those who have not been as fortunate as others. Your gift to the Foundation provides you with a role in building the future - a role of which you can be proud.

We want to continue to better human life through scholarships, help to veterans, and other humanitarian causes. To do this, we need to increase the endowment that provides cash awards.

Every year, we receive more requests from such organizations as colleges, veterans hospitals and medical research groups. To help fund these deserving causes, we want to continually increase the earning power of the Foundation by increasing the endowment.
