Educator of the Year Nomination

One of the goals of The American Legion has always been to work in cooperation with schools who assist veterans, their families and local communities. Some educators have gone above the call of duty and promoted the aims and purposes of The American Legion of Iowa.

These educators have a unique opportunity within our schools to distribute information to students about our many programs.

Educators, sometimes the only role models, continue to instill in our children patriotism and respect for the flag. They continue to educate our youth

about the sacrifices made by service men and women in defense of their freedom, as well as work with those students whose parent/s are serving this great nation.
